

## Blood Was Wrong

All women, who suffer from the aches and pains, due to female ailments, are urged to try Cardui, the reliable, scientific, tonic remedy, for women. Cardui acts promptly, yet gently, and without bad effects, on the womanly system, relieving pain, building up strength, regulating the system, and toning up the nerves. During the past half century, thousands of ladies have written to tell of the quick curative results they obtained, from the use of this well-known medicine.

## TAKE CARDUI The Woman's Tonic

Mrs. Jane Calahan suffered from womanly trouble for nearly ten years. In a letter from Whiteville, N. C., she says: "I was not able to do my own housework. My stomach was weak, and my blood was wrong. I had backache, and was very weak. I tried several doctors, but they did me no good. I used Cardui for 3 or 4 months, and now I am in the best health I have ever been. I can never praise Cardui enough." It is the best tonic, for women.

Whether seriously sick, or simply weak, try Cardui.

Cards were received in this city this week announcing the marriage of Miss Emma W. Dysart, formerly matron of the School of the Ozarks, to Mr. Geo. B. Wilson, formerly prosecuting attorney of this county.

Both parties are well and favorably known to most of the people of this neighborhood. The marriage took place last Saturday at the home of a sister of the bride at Winter Haven, Florida.

Mr. and Mrs. Wilson will be at home to their friends after June 15 at Ava, in Douglas county, where Mr. Wilson is in the practice of law and abstracting. All their many friends here will join with the Republican in wishing them a long and happy married life.

The school directors of this district have not yet awarded the contract for building the new school house, all the bids being held under consideration by the Board until they can get together again and talk things over. Charlie Stiffler had the low bid, and a man from Monett had the next lowest but some of the Board seem to think that all are a little too high.

Guy Everett pulled out for Kansas Monday morning.

Miss Beulah Boswell is in Forsyth this week visiting her father and other relatives and friends.

Contracts were awarded last week for two bridges to the Canton Bridge Co., one bridge to be built across Swan creek at Forsyth, and the other across Beaver at Bradleyville. Both bridges are to have steel joists, and steel frames, and to be of first class construction throughout. The price for the two was agreed on at \$11,815, and this does not seem to be high for two good highway bridges.

### The Baking Contest. At The S. of O.

On Saturday, the 9th, was held the Second Baking Contest at the school. Like last year's it was a pronounced success. Everything was so well prepared that it was a difficult task for the judges to decide as to which was the best. There were four "events", bread, pie, cake, and baking powder biscuit. Seven girls contested, but only five of them on all four things. By the decision of the judges, Esther Stires, had the best loaf of bread and Bertha Ray the next best. It is significant that these two are the official bread bakers of the school.

Noah Park's pie was judged best, and Virginia Wallace's next. Virginia Wallace had the best biscuits and second best cake, while Maggie Choate had the best cake and Bertha Ray, the second best biscuits.

By the sum of ranks Virginia Wallace is entitled to the prize for the best exhibit. This is a gold medal.

The judges were Mesdames Vanzant, Bailey, and Bennett.

The contestants were Virginia Wallace, Nona Park, Mae Beall, Thelma Scott, Esther Stires, Bertha Ray and Maggie Choate.
